A unique lineup for Ololiuqui meets for the first time for a one-time concert at the Ricochet Gathering Poland 2004 Electronic Music Festival. The concert was played in the 101 year old Teatr Jeleniogórski in Jelenia Góra, Poland (across the Odra River from Germany) on September 11, 2004. Five musicians from four countries met to create some very unique electronic music. Tracks 1 to 7 were performed live, track 8 was released on the Spirit Zone “Tathata 2” sampler and Track 9 is newly recorded. The concert was organized by Vic Rek and released in a limited edition digipak on the electronic music label Ricochet Dream in New Jersey, USA.
